## 2019 SANTA MARIA VALLEY SAUVIGNON BLANC

*Our Sauvignon Blanc is vinified and aged sur-lie in a combination of steel, concrete, and neutral French oak, which brings a variety of dimensions to this layered wine. Lively notes of lime peel, gooseberry, tart kiwi, and freshly cut herbs burst from the wine's refreshing palate. This is what we believe New World Sauvignon Blanc should taste like.*

### VINTAGE NOTES

2019 was a rather classic vintage in Santa Barbara, marked by a mild spring and moderate summer (only a few very hot days). Although mildew pressure was relatively heavy, we were able to push through the challenge. Long hang times and abundant cooling breezes allowed fruit to maintain acidity and optimally ripen. Harvest began at 'standard' time (late August/early September). Fruit picked later in September was naturally riper due to a longer hang time, which is evident in the layered, medium to full-bodied nature of the wines.
