

2023 Santa Barbara County Rosé

Time and Place

The 2023 season is regarded as one of the finest in recent memory for Santa Barbara County. A cold, wet winter gave way to a long and measured growing season, with harvest stretching nearly a month later than usual. This extended hang time allowed the fruit to develop slowly, concentrating flavor while retaining remarkable freshness. The resulting wines are marked by balance, depth, and vibrant acidity — a vintage that combines precision with energy.

Taste and Feel

This rosé opens with bright aromas of wild raspberry and watermelon, lifted by delicate floral notes. The palate is soft and subtle yet refreshing, carrying through to a clean, graceful finish. Vibrant and inviting, it's the kind of wine that feels made for sunlit afternoons and long, convivial evenings.

Our Story

Presqu'ile is a family-owned estate in the Santa Maria Valley dedicated to crafting cool-climate wines that reflect the beauty of California's Central Coast. Alongside more than 100 acres of sustainably farmed estate vineyards, we partner with like-minded growers across Santa Barbara County to highlight the region's best sites. In the cellar, a minimalist approach guides the winemaking, yielding wines of purity, texture, and balance — wines made to be shared.
